

B-K LIGHTING | TEKA[®] ILLUMINATION

We shine across the globe delivering cutting-edge lighting technology, enduring designs, innovative customization, and an unyielding commitment to our people, customers and our planet. With an impressive four decades of proven quality and award-winning American craftsmanship, we outperform and outlast the competition.

From commercial to residential properties, resorts to offices, campuses, restaurants, parks, naval ships, wineries and even the White House—there's no space we haven't lit up.
